

Remarks

Reconsideration and allowance of the application are respectfully requested. Claims 1-10 were in the application, claims 1-5 were allowed, claims 6-8 have been amended.

Replacement drawing sheets with the elements 3, 6, 8 and 9 identified are included herewith.

Claims 6-10 were rejected as being in improper dependant claim form. Claims 6, 7 and 8 have been amended to properly depend from claim 5, rendering moot the rejection. As these claims contain all the limitations of allowed claims 5 therein, with further limitations, these claims are also believed to be in condition for allowance.

The applicant originally paid for 21 total claims, and the fee for the multiple dependant claims. It is believed the new claim count is 33 total claims, and the additional claim fee is enclosed herewith. Please charge any additional fee or credit any overpayment to deposit account no 04-0838.

Based on the above remarks, favorable consideration and allowance of the application is respectfully requested. However should the examiner believe that direct contact with the applicant's attorney would advance the prosecution of the application, the examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,
